**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do everything possible to preserve and improve competition in the broadband marketplace. I own a business in a market where there are only two providers, and I have chosen the smaller, non-Comcast provider for their fast speeds and improved customer service. But even this is too little competition. Citizens deserve a marketplace with more and better options, free from the monopoly influence of the few major service providers who dominate the nation's broadband services.
